heop

phew

why
the era
of coin
lockers is
still going
strong

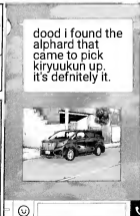

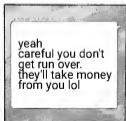

since
I keep
on using
them, I've
come to under-
stand

reform
school
for
exam
taking
huh
.....

if I think
about it
my luck ended
when I caught
a flu there
and was
absent from
that school
for a week
.....

sign: school entrance ceremony

if I had
forced
myself
to go to
school
that
time

my
attendance
rate would
have been
fine

and
with no
problems,
go to a
good
highschool

ah
!

I have
to go
reapply
it during
the
weekends

it's
slightly
starting
to
fade

hm
?

AH?
yeah yeah
giraffe-
kun

ah,
I told
you
it's
Kiryuu

quite
giraffe-like
in Japanese

Kiryuu-Kun

oi you
what
was your
name
again?

eh...
w...
wai

air
gun
?

eh?

I said
target

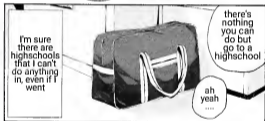

dude hey
can you
be the
target?

here Rikio
tomorrow
is the
entrance
ceremony
so practice
waking
early

what's
with you,
shouting
like that

I'm sure
there are
highschools
that I can't
do anything
in, even if I
went

there's
nothing
you can
do but
go to a
highschool

ah
yeah

I can just
think
about this
as another
3 years in
a different
reform
school

well,
if I can
get
in to
college
it'll be
written
off

would you like to try sticking it in the store? I need to explain the procedures anyway

we... well I was in the gymnastics club so my upper body is...

your body build is pretty good too

your face is scary so I think this will match, brother

it's cold too

i... isn't walking around the city like this bad?

alright
now I just
have to go
through
three
years
at that
school

get that
highschool
graduate
qualification
and take
the exam!

maybe
he's
high?
in the
middle
of the
day

h...
he's lau-
ghing
.....

and take a
position just
like before,
where most
people will
avoid me
deliberately

no need to worry
it has to be
somebody about
not getting
involved
in the happen-
ings of
school
Takes right
standpoint

Kiryuu's
pajamas
has floral
pattern.
it's
wonderful

DADDY KAMIYA

I'm

Kiryuu's
mommy

I'm
hungry
